About

I am an ambitious and career-oriented engineer as well as believer in family values. I maintain a balance between family and career. Recently, I am working as a Engineer in **Cross-world Power Ltd.** Previously, I graduated in Electrical Engineering form International Islamic University Chittagong. (IIUC), and worked as an engineer for more than 4.5 years at different reputed company in Bangladesh.

Moreover, as a Buddhist, I always try to lead a life in the way of Budhissam. Also, I love to see football and cricket match, read astrology magazine, and know engineering stuffs.
