**Subject:** BBT exchange for NR SNF Jacquard Floor  
**Importance:** High

Dear sir,

Due to modification of NR SNF floor BBT, They required to change some BBT for model (KAP instead of KOP and others) variation.

They want to exchange this items with our local stock BBT.

All materials are available in our stock but need some modification which 1. **Enclosure of Panel Connection & 2 Without MCB of TOB.**

Below materials they want to **exchange with us** which price is almost same as per NR sales price.

Please provide approval with official instruction for delivery.

		Required BBT( Available in CW Stock )

**Subject:** BBT Modification for SNF Jacquard Floor AC connection and Floor Lighting.

**Importance:** High

Please discard my Previous email..

Dear MD Sir,

We have to modify following BBT arrangement to meet compliance in SNF and Knitting floor and AC (25Ton) connection (present ac rating is higher than before) in SNF jacquard floor as well as operational process.

1. SNF Jacquard floor AC connection require Few BBT materials which are available in Cross world local store which we exchange with our BBT due to rating variance.
2. SNF Dyeing Floor SDB connection to operate floor individually and the materials also exchanged with our present BBT
3. SNF 1<sup>st</sup> and 2<sup>nd</sup> floor and Composite Knitting floor Lighting Circuit separation to meet the compliance as well as independent operation.

Cross World give proposal that they will provide all the below materials and we have to return **118pcs Tap off Box (TOB) without Breaker from Narayangonj intact Stock** and our present used TOB only would be used in Narayangonj.

Please approve above proposal so that we don't have to invest further.
