Subject: Fwd: Order for Transformer

Dear Sir,

This is to inform you that, Zia Auto Rice Mill has confirmed the work-order for 1x1250 kVA transformer and 1x630A VCB.

As you already know that, we have sent one 800 kVA transformer (of Logos Apparels Ltd.) to them as backup which needs to be returned to Dhaka by Saturday, we seek your kind permission to send

another transformer (which is available at Bhabanipur Warehouse) as backup untill we can deliver them their ordered 1250 kVA transformer.

Your kind cooperation in this regard is appreciated.

Thanks and Regards,
