Facility Management Division

02	Installation time	The supply works must be completed within 30 (Thirty) days of issuance of work-order subject to progress of interior decoration work at quick succession. Bank Authority will not share the transit risk.
03	Penalty	Tk. 1,000.00 per day will be imposed for delay in delivery or completion of work.
04	Mode of work	Supply, installation & commissioning work shall be done at the site on full time basis without giving break.
05	Price Escalation	No claim for price escalation shall be entertained up to the completion time.
06	Warranty	2 (Two) years full warranty from the date of commissioning. During this period, Cross World must repair any defect/replace any parts of the equipment and render services in connection thereto at its own cost.
07	After Sales Service	<ul style="list-style-type: none"> 2 (Two) years after sales service from the date of successful commissioning at free of cost including periodic servicing/maintenance at an interval of 200 hours of operation/4 months whichever comes earlier. The supply & installation of spare parts thereafter will be ensured by you as per competitive market rate after expiry of warranty period. Support must be provided from regional office. Resolving time will be 4/12-18 hours depending on trouble. Well-trained, technically qualified technicians/engineers will have to be deployed to ensure quality of installation, troubleshooting. Otherwise, in case of branch's suffering regarding your product/support, your company will be penalized.
08	Payment	Payment will be made after successful installation & commissioning and submission of invoice by the vendor.
09	Security Deposit	An amount equivalent to 10% of the bill amount shall be deducted as a Security Deposit and may be retained for a period of 6(six) months from the date of complete installation and commissioning.
10	Deduction of VAT & AIT	VAT & AIT will be deducted from your bill as per Govt. rule.
11	Supervision	The installation works shall be supervised by Bank's consultant and Divisional Engineer in Charge. You are requested to coordinate/comply with them for any advice/decision regarding fixing of generator set or any other relevant issues.
12	Restriction of Additional work	No additional work of any nature of beyond the job specified in the submitted proposal duly signed and sealed and above description should be done without prior approval from Head Office, Dhaka.
13	Enforcement of warranty	The company shall provide an undertaking in non-judicial stamp of Tk. 300/= in connection with rendering free of cost services, repairs & replacement of parts/equipment during warranty period, without which security deposit will not be released.
14	Cancellation	Bank Authority reserves the right to cancel the work order for any violation of the clauses mentioned above or in RFQ or for any other valid reason.
15	Additional works	Unit prices of installation materials are mentioned in Table-B. Bill may be paid as per requirement of site in accordance with unit rates stated.

If the above terms & conditions are acceptable to you, please return the duplicate copy of this work order to us duly signed by you as a token of acceptance of terms & conditions mentioned above as well as an acknowledgement letter jointly signed by authorized persons of Sales & Service Department.

Thanking you.
