Sub. : New Fresh Work order for Supply, Installation, Testing and Commissioning of 01 (one) unit Prime 30 KVA/Standby 33 KVA Rating TEMPEST Brand Diesel Generating Set with Local Automatic Transfer Switch (ATS) and Foreign Sound Attenuated Canopy instead of Local Sound Attenuated Canopy at House # 7, Block – E, Section – 3, Kaderabad Housing Estate, Mohammadpur, Dhaka and Cancellation of Work Order dt. 7th Feb 2016.

Dear Sir,

I do, hereby, declare and execute the cancellation of the Work Order dt. 7th February 2016 and with reference to your Offer (ref. no. CWPL-AM/0504/16) dt. 24th February 2016 including your supplied catalogues and subsequent discussion and understanding with Engr. Md. Moshir Rahman, Asst. General Manager, Cross World Power Ltd. (CWPL), I am pleased to issue this new and fresh work order replacing the previous work order dt. 7th February 2016 for supplying, installation, testing and commissioning of 01 (one) unit 30 KVA / 33 KVA (Prime/Standby) TEMPEST brand (Allam Marine Ltd., UK) Diesel Generating Set (Model # PM30) completed with Local Automatic Transfer Switch (ATS) and Foreign Sound Attenuated Canopy instead of Local Sound Attenuated Canopy, having PERKINS brand Engine (Model # 1103A-33G, Origin U.K.) Mecc-Alte brand Alternator (Model # ECP28-VL/4, Frequency – 50 Hz, Origin U.K.), DEEP SEA (U.K.) brand Control Module, Country of Origin – United Kingdom (U.K.) and Port of Shipment – Thames port / Any port, U.K. for Residential Apartment Building House # 7, Block-E, Section-3, Kaderabad Housing Estate, Mohammadpur, Dhaka.

You are therefore requested to complete all necessary arrangements and legal formalities for delivery, installation, testing and commissioning of the above mentioned Diesel Generating Set for at House # 7, Block-E, Section-3, Kaderabad Housing Estate, Mohammadpur, Dhaka immediately from ready stock.

Work Order Value: Please note that I have agreed to pay Tk.70,000 (taka seventy thousand) more for Foreign Sound Attenuated Canopy than the value of the previous Work Order dt.7th February 2016. So, the total price for supplying, installation, testing & commissioning of the above mentioned Diesel Generating Set completed with Local Automatic Transfer Switch (ATS) and Foreign Sound Attenuated Canopy is **Tk. 8,95,000/=** (taka eight lac ninety five thousand) only.

Payment: a) 1st Installment - Tk. 3,00,000/= (taka three lac) only will be paid along with the work order (which will be automatically adjusted with the payment made to you vide Cheque no. 2561821 dt. 9th February 2016 of Southeast Bank Ltd. and received by M/s. Cross World Power Ltd. through Money Receipt no. CWPL/2016/B – 06 and Sl. No. 137 dt. 9th February 2016.)

b) 2nd Installment - Tk.3,25,000/= (taka three lac twenty five thousand) only will be paid after delivery and commissioning of complete consignment of Generator set to the project site.

c) 3rd Installment - Tk.2,70,000/= (taka two lac seventy thousand) only will be paid 8 (eight) weeks after successful installation, testing, commissioning of the Generator Set.

We would appreciate your immediate action and necessary cooperation in this regard.

Thanking you.

Sincerely yours,

Md. Syedur Rahman
