**Reference:**

1. Financial Offer dated 11<sup>th</sup> May 2016 (Ref: CWPL – AM/0921/16 – R01F) and Technical Offer dated 11<sup>th</sup> May 2016 (Ref: CWPL – AM/0921/16 – R01) for 650 KVA 3 Phase Heavy Duty Diesel Generating Sets.
2. Financial Offer dated 11<sup>th</sup> May 2016 (Ref: CWPL – AM/0969/16 – R02F) and Technical Offer dated 10<sup>th</sup> April 2016 (Ref: CWPL – AM/0969/16) for 250 KVA 3 Phase Heavy Duty Diesel Generating Sets.

**Subject:**

Work Order for Supply, Installation and Commissioning of two (02) **Tempest Brand** 3 Phase Diesel Generating Sets (Model No: PM650 & PM250), supplied from UK, **ABB Italy** Brand Auto Transfer Switch (ATS) and Local Made Canopy for both Better Life Hospital Project and Niketon Head Office Project.

Dear Sir,

We are pleased to inform you that we have accepted your submitted offers for the two (02) Generator sets, subject to the following terms and conditions:

1. Your company will supply, install & commission 02 (two) sets of Tempest Brand Diesel Generator sets for Niketon Head Office and Better Life Hospital Projects according to your submitted offers as referenced above in this work order.
2. Both the generators will be procured by opening of a L/C by Cross World Power and the generators must ship from UK port.
3. The Auto Transfer Switch (ATS) for both the generator sets will be of ABB Italy Brand.
4. The canopy will be made locally and must have a sound level equal to 75dBA or lower at 3 meter open space.

**Payment:**

1. You will be paid a total amount of BDT 85,00,000/= (Eighty Five Lac Taka only) to supply, install and commission the two Generator Sets in Better Life Hospital and Niketon Project.

2. BDT 10,00,000/= (Ten Lac Taka only) will be paid to your company with this work order through an account payee cheque as an advance money via cheque No. CDA 0580816 SBAC Bank Ltd.
3. BDT 65,00,000/= (Sixty Five Lac Taka only) will be paid to you at the time of document retirement from bank and cargo clearance from port for delivery of the generators at the respective project sites. *(3 days before Cargo Clearance) Regan 15/05*
4. BDT 5,00,000/= (Five Lac Taka only) will be paid to you after the generator sets have been delivered in both the project sites, subject to the approval of our Consultant Electrical Engineer Mr. Mohammad Ali.
5. BDT 5,00,000/= (Five Lac Taka only) will be paid to you as a Post Dated Cheque after the generators have been delivered, made available to cash two (02) weeks after installation and commission of the generators, subject to the approval of our Consultant Electrical Engineer Mr. Mohammad Ali.

**Delivery:** The Generator sets will be delivered within Ninety Days (90 days) from the advance cheque date, cheque No. CDA 050816 SBAC Bank Ltd.

**Installation and Commission:** Installation, Commission and testing of the generator set must be completed within three days (03) from the day of delivery.

**Training:** Training to our operators to operate the Generator Sets will be provided by Cross World Power Ltd.

**Warranty:** 1500 hours or 1 year warranty, whichever comes first effective from the date of installation of the generator sets will be provided by Cross World Power Ltd.

**Service Agreement:** After expiry of warranty period yearly service agreement may be done by both the party with mutual contract/understanding.
