Work Order for supply, installation, Testing and Commissioning of 630KVA Sub-station equipment inclusive of HT switchgear, Transformer, LT Switchgear and PFI plant for our project situated at Plot A/113, BSCIC Industrial Estate, Tongi, Gazipur.

Dear,

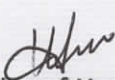

We are glad to inform you that we have chosen Cross-world Power Ltd to be the supplier and installer of 630 KVA electrical sub-station equipment for our ongoing project at BSCIC Tongi. The technical specification of the equipment should be according to the submitted quotation Ref. CW/ALU/SUB/101. The total price of supply, installation, testing and commissioning has been decided to be **BDT 25,25,000 (Twenty Five lak Twenty Five Thousand taka only)**. This includes ELB expenses without govt. fee and delivery.

Terms:

1. Delivery and installation should be completed by 30 July 2016
2. Payment will be either by crossed cheque or pay-order in favor of Cross-world Power Ltd.
3. 35% of the total amount will be paid with the work-order; 45% at the instant of delivery (photocopy of pay order will be given from bank for ensuring gurantee); 10% within 10 days after finishing installation; the rest 10% after 1 month of commissioning
4. One year replacement warranty and two years of free of cost after sales service

We look forward for a nice and smooth installation of our sub-station from Cross-world Power Ltd.

Regards
