Dear Mr. Cenk,

We understand that Clients wants to go with 4S for their next project. But the previous project **A. K.M Knit Wear Ltd. (Al-Muslim Group) /83** is our sale project. As per conversation of Mr. Kabir and Mr. Alper, this sale should come to our account. WE only know the LC value of this project USD 125000. For the convenience of our financial department, kindly provide us the OC so that we can update our annual account.

Thanks & Regards,

Dear Sazida,

Thanks for the inquiry. But before we quote to you, we would like to clarify one point. As you may remember that AKM Knit wear project, customer didn't prefer CW for installation etc. So Do you think they will consider you for this project?
