## DEED OF AGREEMENT

THIS DEED OF AGREEMENT made this day the Date of 05<sup>th</sup> November, 2017  
(Christian era.)

### BETWEEN

**Anwar Landmark Ltd.**, having its office at Baitul Hossain Building, 13<sup>th</sup> floor, 27, Dilkusha, Dhaka-1000, represented it's hereinafter referred to as the "**Buyer**" which expression where the context so admits shall include its successors in interest and assigns of the **FIRST PARTY**.

### AND

**Cross World Power Ltd.** Situated at, Plot # 1/B, Road 90, Gulshan-2, Dhaka-1212, Bangladesh, who declares themselves as the **Exclusive Agent of TEMPEST, ENGLAND, Generator**, represented it's hereinafter referred to as the "**SUPPLIER**" which expression, where the context so admits shall include its successors in interest and assigns of the **SECOND PARTY**.

### WHEREAS

The first party has agreed to purchase one **500 KVA (Prime) / 550KVA (standby) and 300 KVA (Prime) / 330KVA (standby)**, Diesel Generator set for the Construction site at "**Landmark Beg Park view**" Plot-11, Road-83, Block-NW(K), North Gulshan, Dhaka, Bangladesh. The buyer have therefore sought offer for the supply and installation of diesel Generator set (Capacity: **500KVA (Prime) / 550KVA (standby) and 300KVA (Prime) / 330KVA (standby)**).

**THIS DEED WITNESSETH** and the parties here to mutually agree and declare as follows:

01. The Supplier/ Second party agree to arrange for supply, installation, testing & commissioning of Diesel Generator as per their offer sheet **Ref: CWPL-AM/3026/17F, Dated: 05-11-2017** and **CWPL-AM/1330/17F-RO1F, Dated: 15-10-2017** one for the above project. The detail specification has been elaborated in clause 05 of this agreement. The original offer will remain **as an integral part of this agreement**. The Contractor agreed to carry out supply, installation, testing and commissioning of the Generator Set in the above premises. The supplier shall be fully responsible for importing, clearing, forwarding at part of delivery, Loading/ unloading, transportation and delivery to the installation site.
02. The Buyer/ first party agrees to make payments to the "**Supplier/ second party**" the Total Amount of **Tk.1,00,00,000/-** (Taka One Hundred Lac) only for 02(One) set of Diesel Generator as specified in clause 05 bellow as per following payment schedule for supply, installation, testing and commissioning.

**03. Payment Schedule:**

- a) 40% of total amount with work order, b) 40% of total amount after delivery of gen. set at site.  
c) 10% of total amount after successfully commissioning. d) 10% will be paid after 02(Two) months from successfully commissioning. e) Price is excluded VAT & AIT.

**04. Delivery:** The supplier/ second party agreed to complete the job of supply of the equipment within 60 **working Days** time from the date of work order or payment of 1<sup>st</sup> installment and to complete the job of installation, Testing, commissioning at site within another 10 **working days** after payment of second installment. If second party fails to complete the supply, installation & successful Commissioning work within this time, Tk. 2.000/(two thousand) per day, up to 05 **working days of delay**, will be deducted from his bill. After 05 **working days of delay** the 1<sup>st</sup> party is empowered to cancel this agreement and take back the paid money from the second party and take necessary action as per law against the 2<sup>nd</sup> party.

**05. Technical Specification of Generator:**

Capacity :

(a) Output Ratings (KVA)

(i) Standby : 550 KVA

(ii) Prime : 500 KVA

(b) Voltage/phase/Frequency : 415V / 240V, 3-Phase, 50Hz.

(c) Type : Diesel fired, indoor type, Auto Start / stop, Digital control, Sound proof canopy Foreign (75db@7mtr.) and Foreign made Common ATS (for 500 KVA and 300 KVA Diesel Generator). [UK] [UK]

Generator Brand, Model & Origin : **TEMPEST, PS500, UK.**

Engine Brand, Model & Origin : Perkins, 2506A-E15TAG2 & ~~USA~~UK.

Alternator Brand, Model : STAMFORD, HCI544D, 50Hz.

Country of origin : UK.

Voltage Regulation : Self excited, brushless with AVR

Engine Speed : 1500 rpm, 4 Stroke, Multy Cylinder.

Method of Start/ Stop/ Transfer : Auto/Manual Start/ Stop, Auto transfer

Mounting arrangement : Mounted on steel base frame

And vibration isolator.

Vibration Skid : Built in vibration skid for smooth operation.

Induction System : Turbocharged.

Fuel Consumption (Ltr/hr) : 76 L/H @ 75% load

Fuel Tank Capacity : 860 Liters (Base mounted steel tank)

Capacity :

(a) Output Ratings (KVA)

(i) Standby

: 330 KVA

(ii) Prime

: 300 KVA

(b) Voltage/phase/Frequency : 415V / 240V, 3-Phase, 50Hz.

(c) Type

: Diesel fired, indoor type, Auto

Start / stop, Digital control,

Sound proof canopy Foreign (75db@7mtr.).

Generator Brand, Model & Origin : TEMPEST, PS300, UK.

Engine Brand, Model & Origin : Perkins, 1506A-E88TAG5 & USA/UK.

Alternator Brand, Model : STAMFORD, HCI444D, 50 Hz.

Country of origin : UK.

Voltage Regulation : Self excited, brushless with AVR

Engine Speed : 1500 rpm, 4 Stroke, Multy Cylinder.

Method of Start/ Stop/ Transfer

: Auto/Manual Start/ Stop, Auto transfer

Mounting arrangement

: Mounted on steel base frame

And vibration isolator.

Vibration Skid

: Built in vibration skid for smooth operation.

Induction System

: Turbocharged.

Fuel Consumption (Ltr/hr)

: 48 L/H @ 75% load

Fuel Tank Capacity

: 435 Liters (Base mounted steel tank)

And

Synchronizing Panel for 1x500 kVA & 1x300 kVA Diesel Generator (As per Quotation).

a) Engine gauge/ Parameters

: Oil pressure, water Temperature, Speed, hours Counter, fuel level

b) Electrical Measuring date

: Voltage, current, frequency, battery voltage, etc.

c) Alarms Signals & Shutdown protection

: Low oil pressure, high water Temperature, fuel level, over speed/load

d) Other accessories/ devices

: As standard

e) Auto charger

: Built-in trickle auto battery charger(ABC)

included.

Emergency Stop

: Must be installed outside of Canopy

Battery

: Foreign made.

06. Warranty

: 24 months or 3000 hrs whichever comes first warranty from date of delivery.

07. Maintenance particulars

: 1) Must have trained Technicians

2) Hand over the factory supplied standard tools &

“দেশপ্রেমের শপথ নিন, দুর্নীতিকে বিদায় দিন”

N. Hani

**Page...4**

Accessories (Spare Parts).

3) Conduct Free training (locally) for Operators .  
: UK (Any Port).

**08. Port of shipment**

**09. Special Terms & Conditions:**

- (a) Metal work of the Generating Set, bed frame and other exposed parts  
Must be bonded to an effective earth point as per standard practice.
  - (b) The appropriate neutral earthing requirement must be complied with.
  - (c) Earth test, insulation resistance (of winding) test, must be conducted and test results must be submitted.
  - (d) All materials for earthing and labor cost for required boring shall be supplied/paid by the supplier/ second party, but the earthing work should be done with the proper guidance/supervision of the supplier i.e. the supplier shall be responsible for the satisfactory earth result.
  - (e) The following offered results must be demonstrated & recorded by the supplier/second party (in presence of representative of the buyer/ first party)
    - i) Fuel consumption at 30% load.
    - ii) Three phase current out put at 30% load at rated voltage/power factor.
    - iii) Shut down protection for low oil/ low fuel level.
    - iv) Auto voltage regulation.
    - v) Frequency regulation.
  - (f) Canopy must be designed with modular principle, doors on each side, thermally insulated engine exhaust system, easy lifting and moving, easy maintenance & operation.
  - (g) The following documents must be handed over by the supplier/ /second party to the buyer/first party before installation
    - i) Shipping documents with certificate of country of origin from concerned chamber of commerce
    - ii) Engine hand book
  - h) The supplier/ second party should ensure the following:
    - i) No leakage of fuel, lubricant, coolant.
    - ii) Retightening of exhaust and radiator pipe joints.
- 10. The supplier/ second party shall run the Generator set for one hour minimum (in presence of representative of buyer on 30% load) &**
- i) Check/ record the following:
    - a) That all instrument are functioning
    - b) All indicators are indicating
    - c) All switches / devices are functioning
    - d) Display Board is displaying all the date
  - ii) Note the following & submit-
    - a) Out-put of battery charger
    - b) Regulation of voltage, frequency.
- 11. The supplier/ second party shall perform free service/maintenance of the Generator set for one year after hand over of the Generator.**
- 12. One set of operation & maintenance manual shall be handed over to the buyer/ first party.**

**Page...5**

13. The Supplier/ second party shall provide 200 liter of diesel & sufficient Lubricant for both Generator & others accessories for initial starting/ trial/testing.

14. The supplier/ second party shall submit a certificate of country of origin of Generator, Engine & Alternator signed by the MD.

15. The supplier/ second party shall arrange to install one laminated instruction sheet describing the following:

- a) Date of commissioning:
- b) Warranty period:
- c) Free service period:
- d) Interval of oil/ Filter/ radiator water:
- e) Address of supplier:
- f) Contact person:
- g) Contact number

**1. FORCE MAJEURE:**

Force majeure shall be understood as any event preventing performance of the obligation under this order and which could not have been foreseen, eg, accidents, quarantine restrictions, war, flood, invasion, acts of governments, acts of god, including but not prohibiting exports and imports restrictions cuts in the use of power and similar incidents and any other cause beyond the control of the suppliers shall be considered as force majeure circumstances.

IN WITNESS WHEREOF the parties hereto sign and execute this Agreement on the day, month and year aforesaid.

**Witnesses:**

1. Engr. Md. Jahangir Alam Patwary  
Managing Director  
Anwar Landmark Ltd.

2. Engr. Abu Razle Md. Yusuf  
Director Operation  
Anwar Landmark Ltd.

3. Hero Bhattacharjee  
Deputy Manager (Electrical)  
Anwar Landmark Ltd.
