Sub. : Work Order for Supplying, Installation and Commissioning of Exhaust and Cooling System for 1 no. 80 KVA (Prime) and 1 no. 30 KVA (Prime) TEMPEST Brand Diesel Generating Set at Urban Paltan View (Res.) project.

Dear Sir,

With reference to your Offer dt. 17th November 2019 and subsequent discussion and understanding with Mr. Moshir Rahman, AGM, Sales, Cross World Power Ltd. (CWPL), we are pleased to issue the work order for supplying, installation and commissioning of Exhaust and Cooling System for 1 no. 80 KVA (prime) and 1 no. 30 KVA (prime) TEMPEST brand Diesel Generating Set at **Urban Paltan View (Res.) Project** at House # 47, Purana Paltan, Dhaka.

You are therefore requested to make necessary arrangements and formalities immediately for supplying, installation and commissioning of Exhaust and Cooling System of above mentioned Diesel Generating Sets for **Urban Paltan View (Res.) Project** at House # 47, Purana Paltan, Dhaka.

Work Order Value: a) Total Estimated Price for Exhaust and Cooling System for **80 KVA** Generator Set is **Tk. 43,000** (taka forty three thousand) only and b) Exhaust and Cooling System for **30 KVA** Generator Set is **Tk. 34,500** (taka thirty four thousand five hundred) only.

So, the total estimated price for supplying, installation and commissioning of Exhaust and Cooling System is (Tk. 43,000/- + Tk. 34,500/-) = **Tk. 77,500/-** (taka seventy seven thousand five hundred) only.

The final bill will be made as per As-Built Work.

Payment: a) **1st Installment** - **Tk. 40,000/-** (taka forty thousand) only will be paid along with the work order.

b) **2nd Installment** – being the **rest amount** of the final bill as per As-Built Work will be paid 2 (two) weeks after successful installation and commissioning of Exhaust and Cooling System.

Please note that battery charging work must be done by CWPL.

Please submit a bill supported by a) Challan for Ducting and Exhaust System Items duly received by concerned UDDL site authority b) Work completion certificate.

We would appreciate your immediate action in this regard.

Thanking you.

Sincerely yours,

Mohammad Hanif (Shamim)
Head of Planning & Coordination
