Subject: Re: *** SPAM ***Re: Regarding LPG & CMP Sub-Station PFI Rectification/Rearrange.

Dear Moshir Bhai,

As discussed please carry on with the additional job @ BDT 75000/- as requested to you considering the additional materials for modification.

Please send your team to complete all the pending jobs in one go. Please ask your team to coordinate with Mr. Mujaffar beforehand for better synchronization.

Please provide a revised offer for SCM procedure.

Thank you very much for your support & cooperation.

Dear Mujaffar bhai,

11/6/2020

Post eid Mubarak to you, hope all of you are well in all respect.

As per your following requirements we are ready to do our work as per the following schedule, at the same time we need your confirmation for the additional work cost.

We were agreed to do the modification work for the PFI, as the factory is not running the full capacity. We will do it free of cost for LPG substation.

Additional work:

As per your further requirements to split the PFI of CMP in 2 units instead of 1 unit (1 for substation and 1 for Generator). The additional cost for the modification work will be Tk. 100,000/- (One lac only).

Now need your valued confirmation to do the additional work as soon as possible.
