Dear Sir,

Refer to the revised Quotation No: CWPL-AM/1174/21 (As per attached offer), Dated : Mar 14, 2021, we have been submitted our final proposal for 45KVA Diesel generating set with Foreign Canopy & Foreign ATS. Our final given value was BDT. 12,00,000 and that price included VAT & AIT as per government rules. This price also includes the transport ,loading - unloading at site (at ground floor) and excludes the price of commissioning materials. After providing all the materials & mechanical installation we will do our commissioning job to star the DG set.

For any further clarifications please feel free to contact with us.

Respectfully Yours,
