AGREEMENT FOR EXCHANGE OF GEN SETS

THIS AGREEMENT is made 18.07.2021 Between **Cross World Power Limited** having their office at Plot # 1/B, Road #90, Gulshan-2, Dhaka-1212 hereinafter referred to as 'the 1st Party', and FGS **Denim Wear Ltd** Which Factory Office Address is Katghora Bazar, Zirabo, Ashulia, Savar, Dhaka, Bangladesh. Hereinafter referred to as 'the 2nd Party' of the Other Part;

NOW IT IS AGREED here to as follows:

1. The 2nd Party agrees to buy 1 unit 500KVA prime, Model: PL500 Tempest diesel generator set from" the 1st party".
2. The price of the said generator has been fixed at GBP 34,000.00 for 1 unit PL500 Tempest diesel generator set. The 2nd Party will open the LC in favour of Allam Marine Limited through the 1st Party for PL500 Diesel Generator set.
3. Due to the early delivery requirement, the 2nd party needs One unit of 500KVA generator from ready stock, so the 2nd party requested 1st party to supply them one unit 500 KVA generator (Brand new Perkins Engine with Leroy-somer alternator) from ready stock. The 1st party agreed to deliver 500KVA Tempest generator from existing stock of their warehouse Pingail, Bhabanipur, Gazipur Sadar, Gazipur, Bangladesh to the 2nd party premises.
4. 2nd party will pay all the payments to Allam marine GBP 34,000 as per LC. After arrival of the said shipment, 2nd party will release the generator container from Chittagong port and arrange transportations directly with sole responsibility and handover that gen set to the warehouse of 1st party warehouse Pingail, Bhabanipur, Gazipur Sadar, Gazipur, Bangladesh providing all related documents.
5. The 1st party will collect the Delivery Challan of generator from the 2nd party as and when the generator is delivered to the 2nd party. As 1st party will sell that new imported refund (exchanged) unit to other customers, so 2nd party cannot raise any obligation/ownership of that imported gen set in future after receiving the gen set supplied from ready stock, 2nd party totally transfer his ownership to 1st party and will help instantly if any customer raises any query even if the 1st party sell to anywhere else.
6. The 1st party will collect the signed commissioning certificate on the date of completion of commissioning works 2nd party will accept the commissioning certificate and hand-over to 1st party duly.

খণ্ড ৪১৭০২১৫

7. The 2nd Party shall keep ready of the site where the generator is to be installed by providing necessary foundation, electric supply, water supply and other requirements for installing the generators in due time.
8. The installation and commissioning will be completed by the 1st party within due working days from the date of the said generators delivery to the 2nd party's premises. The 2nd party will supply all necessary Installation & Commissioning materials and will make all arrangements for Installation including supply of electricity, labour and other things on time.
9. The 1st Party warrants that the said locally supplied generator and equipment are free from any mechanical defect in workmanship and quality of the material used therefore under normal use and service. The 1st party further warranties that if the said machine and equipment goes out of order or requires repairs due to any such mechanical defect or in workmanship in the course of one year from the date the generator (Supplied from local warehouse) reach to the 2nd party's site or 1500 hours of running, whichever comes earlier, the 1st Party will carry out the repairs at his own responsibilities unless the defect is found to be due to improper use or due to inefficiency or negligence of the staff of the 2nd Party working on the said machine in which case the costs of repairs will be on account of the 2nd Party.
10. During the said warranty period the 1st Party shall have the right to visit and inspect the said generators and equipment through his technical experts and Engineers so as to keep the same in working condition and the 2nd Party shall provide all facilities required in that connection. The 2nd Party shall carry out the instructions and directions given by the 1st Party or his technical experts from time to time. The 2nd Party shall also provide sufficient safety and security in its sites and all cooperation to the technical experts and Engineers of the 1st party.
11. The warranty period mentioned-above will cease to exist if during the said period the 2nd Party either sells the said generators and equipment to anybody else or shifts the machine and equipment to any other place or the generators serviced by engineers other than 1st Party nominated experts or otherwise.
