Subject: RE: Discussion on Bogura project completion and dependencies

Dear all

Thank you for joining the meeting. We discussed on the Bogura project execution delay reason behind and way forward. Please have below discussion points....

1. Apologies sought by cross world for the delay progress but they are still confident to complete the project within this October.
2. Cross world has committed to complete the project within October
3. GP will engage other vendor for troubleshooting of the shifted VS
4. GP will include the cost of VS & HT panel shifting from old substation room in additional PO
5. Cross world will update the progress on daily basis
6. GP will consider LD if the executions are not completed within the committed timeline.

Best Regards
